

May 17, 2008 Meeting Minutes

.....
Attending were: Doug & Nicole C, Jerry C, Dale G, Jeff & Roxy G, Denny J, Alvy & Denise K, Kevin K, Dave & Ilene L, and Bill M.

With ominous weather looming on the western horizon, the meeting was started in the west parking lot of the Marriott. There was no old business so we got down to Reunion "business".

~We discussed the path cars would take to enter the event (see included map), the placement of the "command trailer", trailer parking, Nova placements, DJ placement, etc.

* Goodie bags (lots of brochures, catalogs, and fun items) will be filled at the Loutsch garage on Wed 6/4/08 around 7:00pm. Bill & Jeff have come up with a welcome letter, schedule of events (which Ilene will print on the back of the welcome letter) and a feed-back form (& addressed reply envelope) that will go into each goodie bag.

* 100 T-shirts have been ordered (and should be delivered by end of May (four will be sent to Delaware & Colorado) and 42 are spoken for thru registrations (one will be given to the DJ for use of his equipment), extras will be sold for \$15.00. Thanks to Outlaw Tee's Inc.

* The "Top 25" plaques, Sponsor and Chapter pick trophies and dash plaques have arrived and look great. Thank you to Best Distributing for sponsoring these, Keokuk Trophies and those that created the design!

* It was voted we would use Heartland Nova Reunion placards (designed by Bill, Roxy will get the copies) for all registered Novas for their "assigned" spot.

* A Thank You was given to club members that have registered their cars and a reminder they will only be voting for Chapter pick trophy which will be selected from non-member Novas. Bill will take care of the Thank you to be displayed at the event listing all the contributors to the Heartland Nova Reunion.

* A ballot will be designed for non-members to use to cast their vote.

* Pictures will be taken Saturday (including a scheduled time period for "hoods down") for use on websites, in magazines and the NNN Times. With the weather looking and feeling more threatening, we hurriedly finished up the meeting:
