

## March 15, 2008

With an agenda in hand, the March 15, 2008 meeting started with Roy B, Valerie B, Jerry C, Dale G, Jeff & Roxy G, Dave & Ilene L, Bill Mc, Loren P, Dan T and the newest member, Doug Carlson in attendance.

**~Membership info:** We currently have 50 members that we send newsletters to (now we have 52). We welcomed Doug Carlson of Coggon, IA, a visiting Nova driver ('74 496, '72 pro street & '72 original). I've included a membership list, so please check your information and let me know of any changes that I need to make. Thanks!

**~Treasurer's Report:** Dave is still working on getting things in order. He is still trying to figure out which members have paid their 2008 dues and calendar costs. He is tracking Heartland Nova Reunion costs and registrations that are arriving (currently we have 22). The club decided the website expense for 2008 should be paid annually rather than monthly.

**~Website:** We have 12 sponsors and need to have 4 more sponsors to break even (our cost is \$240.00 for the year). We discussed ideas of keeping the website fresh and interesting, and will try having a "monthly" members Nova featured.... e-mail a "short" story and a picture/pictures of progress or final result. Please let Kevin or Bill know which month you would like to have your Nova spotlighted. There is a "tab" on the website to print off a membership form, Heartland Nova Reunion registration form, plus more useable Nova information and don't forget about the car show list. Kevin and Bill continue to make upgrades and changes. Any comments on content or appearance? We are still in need of pictures of a few members cars for the members section.

Have you visited the website lately?!?...[www.einova.org](http://www.einova.org)

**~Heartland Nova Reunion:** Dale will have 500 color fliers printed for distribution. Loren offered his trailer to be used for registration. Art work for the T-Shirts was approved. Best Distributing has offered to sponsor 75 dash plaques, 25 plaques and 2 trophies. Bill advised that a friend will allow us to borrow his DJ sound equipment for music and announcements. Thank you to these club members for their ideas, effort and support. It is rumored John Piccola is coming...plus we are hoping people from Ohio, Alabama, Missouri, Kansas and maybe even Rocky Mountain Chapter might be able to attend. Ilene will contact the club insurance provider to see what documentation will be needed for the event. Pictures of the T-shirt art work was passed around and decided on...for your preview, click on the "Heartland Nova Reunion" button on

our web page!! Best Distributing will sponsor the following: 1-3 ft trophy chapter pick, 1-3 ft sponsor trophy, the long distance "trophy" will be a \$50.00 fuel gift card, plus 25 plaques and 75 dash plaques. It was decided that club members can compete for trophies but they can not vote; so if club members win a trophy, it is because other Nova people have recognized the quality. We will be using \$5.00 of the \$25.00 pre-registration fee for the raffle on Friday evening only. Raffle items are needed for Saturday. Bill brought a sample of what the parking markers will look like and will construct them so the Novas will be organized during the show. It was stated they would be broken down like this: 62-65, 66-67, 68-72, 73-79, Super Cars, and Car Corral. Parking lot security for Friday, June 6 decision was tabled until the next meeting to see how many registrations we have at that point.

**~Nova Cruise:** Roy discussed the preliminary route and the following cities: Iowa City, Williamsburg, Winterset, Adel, Boone....Roy is open to suggestions for Sunday.....keep August 23 & 24 reserved
